8) Since the R.D. has stated in para 3 n/f that they have no previous collection on this subject, it is now a point for consideration as to whether we should accept the recommendation of the C.C.F. in this behalf. On the application of the party, the C.C.F. has furnished details relating to this case. He has stated that ~~xx~~ the area measuring 15 acres in S.No.93(b) of Kapoli was constituted as protected forest in the year 1952 under [illegible]

section 29 of the Indian Forest Act. But the ~~R.D.~~, it appears, granted this area for cultivation on Eksal lease to the applicant during the year 1953 and the lease was being renewed annually. Since this survey number was declared ~~in~~ as reserved forest in the year 1960, the lease was cancelled by the R.D. from 1-4-1961. On this the applicant is requesting that the land may be granted to him under permanent basis. It is stated that the applicant has brought the area under cultivation by investing money and he is in legal occupation since 1953. In these circumstances, the C.C.F. has no objection to grant this area on H.L.basis in the first instance as recommended by the C.F. We may agree with the recommendation of the C.C.F. and to release the area in favour of the applicant on Hangami Lagan basis with the usual terms and conditions.

9. Mr. R.M. Nabar, Resident of Kapoli, Khanapur Taluk, Belgaum District was granted an extent of 15 acres of land from out of the Revenue Survey No.93-B of Kapoli-Karyat Gunji in Khanapur Taluk on Eksali lease in 1953. This land was first disforested as per Bombay Govt. Notification No. 536-3/18154 of 4-6-1940.

Since then he has been cultivating the land in question and has brought nearly 10 acres under paddy cultivation and invested some amount in that behalf.

10 But the land in question had been declared by the Revenue Department of the Mysore State as reserve forest as per Government Notification No. AFD 12 FAF 60, dated 22-4-1960 and the eksali lease of the party has been terminated by the Tahsildar of the Khanapur from 1962-63. On this the applicant is requesting that the land in his occupation may be granted to him under permanent basis for cultivation. The C.C.F. has recommended that this land may be given over to the party on Hangami Lagan basis (Hangami Cultivation) with the usual terms and conditions.

11 Here, since the land in question is declared already in 1960 as reserve forest and the eksali cultivation of the party has been cancelled by the Tahsildar, Khanapur Taluk, the party will have to be got evicted early. If he is given permission to cultivate the said land on the basis of Hangami Cultivation, his present right if any, will be allowed to gain grounds in a higher manner and that it would be difficult in due course to get this person evicted from the land. Therefore, it is for kind perusal and orders whether the party should be got evicted at once or the land in question granted to him on a permanent basis as per his requests.

,

I have been cultivating an area of 15 acres from R.S. No. 93/B of Kapoli-Karyat Gunji in Khanapur Taluka of Belgaum District on Eksali lease since 1953. This land was disforested as per Bombay Govt. Notification No. 536/3/18154 of 4-6-1940 with a view to lease it out for paddy cultivation. On being leased out to me for cultivation in the year 1953, I have brought nearly 10 acres of land under paddy cultivation by~~x~~ investing all my savings thereon and by hard work in bringing the area under cultivation for the last 10 years and except this land I have no other land of my own or any other sources of livelihood. There are in all 8 members in my family mainly depending on me and my occupation is agriculture. I have been regularly paying the annual assessment of Rs. 3-69 per year to the Revenue Department and the Eksali lease is being renewed in my favour every year since 1953.

But all of a sudden and without taking into consideration the fact that the land is held by me for cultivation from the Revenue department, the said Survey No. has been declared as a Reserved Forest as per Mysore Govt. Notification No. AFD/12 FAF/60 of 22-4-60 and my Eksali lease has been terminated by the Tahsildar of Khanapur from 1962/63. I have however been advised by the Tahsildar of Khanapur to approach the Forest Department for grant of the land for temporary cultivation as the Survey No. is no longer a Revenue Waste land with the declaration of the same into a Reserved Forest.

The subject pertains to Forest Sn. and it may perhaps be transferred to Forest Sn for further action.

As I have been cultivating the land since 1953 and as this is the only source for the maintenance of my family, I request you to kindly grant me the said Survey No. for permanent cultivation after cancelling the subsequent Notification declaring it as a Reserved Forest. I am willing to pay the annual assessment and to abide by such conditions as may be applied by Government.

For this act of kindness I shall ever remain grateful.

Yours faithfully,

Sir,

Sub:-Grant of land in R.S.No.93/B of Kapoli Karyat Gunji - Khanapur Taluka - Application of Sri Ramachandra Mangesh Nabar of Kapoli.

S.No. 93/B of Kapoli, measuring 15 acres was constituted as a protect Forest in the year 1952 under see 29 of the Indian Forest Act 1927. But the Revenue Department granted the same for cultivation on Eksali lease to the applicant during 1953 and the lease was being renewed annually. This S.No. was declared as a Reserved Forest under section 20 of the Indian Forest Act, during April 1960. On being pointed out to the Revenue Department that the said S.No. is a Reserved Forest, the lease was cancelled by the Revenue Department from 1-4-1961. The applicant is now requesting to grant the said land to him permanently. In this connection a copy of letter No. FOP/GFL/BGM/1891/63-64 dated 4-9-63 from the Conservator of Forests, Belgaum Circle, and the case papers on the above subject are enclosed for kind perusal. It is stated that the applicant has brought the area under cultivation by investing money. Further he has been in legal occupation of the land since 1953. In the circumstances there is no objection to grant the area on H.L. basis in the first instance as recommended by the Conservator of Forests.

Orders of Government may be issued early for taking further action.

I am submitting herewith letter No. FOP/GFL/189-143 of 19-8-1963 of the Divisional Forest Officer, Belgaum along with the case papers for favour of perusal. It is seen that the S.No.93/B of Kapoli measuring 15 acres was consttuted as protected forest under section 29 of the I.F.A.1927 in the year 1952 and declared as reserved forest in the year 1960.

The Sy. No. in question came to be granted by the Revenue Department for cultivation to Shri. R.M.Nabar in the year 1953 inadvertently. As a matter of course, this should not have been given out for cultivation, when this S.No.93/B of Kapoli was declared as a protected forest. This S.No. has been in possession of the applicant till 1-4-1961 when the lease was cancelled by the Revenue Department. In view of the fact that the applicant was cultivating the land for a long period and he has developed the area after spending money, the same is recommended for grant to the applicant, Shri R.M. Nabar, on H.L. basis in the first instance, as proposed by the D.F.O.

In submitting herewith the application received ~~x~~ under your above cited No.I have to report as under:-

The Revenue Department taking this S.No.93-B as a Revenue Waste granted it for cultivation on Eksali lease to the applicant Sri.Ramachandra Mangesh Nabar of Kapoli in the year 1953 and the lease was being renewed⊗under cultivation by the applicant upto 1-4-1961. On being pointed out to the Revenue Department that the said Survey No. is a Reserved Forest his lease was cancelled with effect from 1-4-1961.

The Revenue Department has recommended to release out the said area to the applicant for cultivation and to regularise the action taken by the Revenue Department in leasing out the forest on the impression that it was a Revenue WasteN S.No. While constituting the said S.No. into a Protected and Reserved Forest based on the proposals submitted in 1952 the subsequent changes and the exact state of affairs existing on the ground were not considered. Kindly refer to Tahsildar Khanapur's No.FOR.SR.290 of 30-1-63 in the accompanying case (page 61),

The applicant has ~~xx~~ already brought the area under paddy cultivation ~~on permanent basis~~ at great cost and requests to grant it for cultivation on permanent basis. He has no other land for his maintenance and it will not be correct to resume it now on the ground that it is a forest S.No. Hence the applicant's request for the grant of the said land on H.L. in the first instance is recommended. The area is situated on the border of a perinnial nalla and as such is more suitable for paddy cultivation rather than for raising forest crop.

The application received under your No.Fop-GFL-59-1-62-63 of 12-3-1963 is resubmitted herewith along with the ~~xxxx~~ sketches of the area. The case papers received from the Assistant Commissione Belgaum are also enclosed for perusal and return.
